

The two-week pilot: what happens and what we need from you

Two weeks show whether your niche replies. Below: what is included, how the two weeks go and what we need from you.

What is included

- ✓ 30–50 verified companies matching your profile
- ✓ A personal first message and one follow-up
- ✓ Interested replies handed over the same day
- ✓ A funnel report at the end of each week

How the two weeks go

- 01 Days 1–2. Brief**

A questionnaire or a 30-minute call: product, best clients, who never to contact. From that, a company profile and a list of reasons to write.
- 02 Days 3–10. Messages**

Every business day we find and check companies and message their heads. Interested replies reach you the same day.
- 03 End of each week. Report**

How many companies we found, how many passed the checks, how many we wrote to, who replied and who reached the decision maker.

What we need from you

A 10-minute questionnaire at the start and 15 minutes a week of feedback. You or your manager reply to the interested ones.

What we never do

~~No bought lists and no mass messaging~~

~~No messages on the recipient's weekends and holidays~~

~~No calls: calls are not part of the pilot~~

Price

\$250 paid in USD

\$250 for 2 weeks, payable in tenge or rubles at the rate of the payment day.
Then monthly from \$490, no long contracts.

Guarantee

No interested reply at all – we continue for 2 more weeks for free. Interested means a real question, a request for details or agreement to a call; auto-replies and “not interested” do not count.
